

GOOD HABITS ON A WATER BODY

- When protected zones are respected the water is clearer.
- The faster you are the farther from the shore you should be.
- You must never intentionnally provoke criss-cross waves (Circles).

 Alcool, music, noise and garbages are incompatible with the beauty of the place.

COME PREPARED

 Have at least 1 safety jacket per person on a motorised boat.

• Wear a safety jacket.

- Have a whistle and a flashlight
- Verify the weather before any nautical activity
